

January 20, 2026: Letter of Follow-up to Senator John Cornyn

I am following up with the letter I sent minutes ago with an additional notice to your office:

THE DEPARTMENT OF DEFENSE NO LONGER EXISTS.
THE DEPARTMENT OF 'DEFENSE' IS NOW THE DEPARTMENT OF WAR.

ALSO, THE DEPARTMENT OF WAR IS NOW WAGING A WAR AGAINST EVERYONE
INCLUDING THEIR OWN UNITED STATES CITIZENS.

I AM ALERTING YOUR OFFICE IN NO UNCERTAIN TERMS THAT WE ARE BEING
CEASELESSLY ATTACKED BY MILITARY ASSETS THAT ARE BEING MANEUVERED AND
EMPLOYED BY THE DONALD TRUMP ADMINISTRATION!

DO SOMETHING TO HOLD HIM ACCOUNTABLE!

 **John★Cornyn**
UNITED STATES SENATOR for TEXAS

January 20, 2026: Letter to Senator John Cornyn

Senator Cornyn,

I have written to your office on numerous occasions and have zero confidence in you or your Republican Party's ability to help our country to navigate this terrible time in our nation's history.

Your party is proving itself to be hopelessly entangled with an evil force emanating from inside of the United States government and is simply of no use to the normal citizens of America.

However, it remains my solemn duty, as a citizen of this fallen God-forsaken nation, to continue to send letters of notice and application for assistance to our deadbeat political representatives.

Seriously, I have absolutely no confidence in the American government to help assist with the ongoing criminal conspiracy that Donald Trump is waging over my personal life, but this is the only legal means that I have of defending my home, so your office shall receive the latest letter of notice and request.

DONALD TRUMP IS OPERATING A VERY LARGE CRIMINAL SPYING NETWORK THAT IS BEING USED TO TARGET AND SUPPRESS HIS POLITICAL TARGETS!

THE UNITED STATES NATIONAL SECURITY ADMINISTRATION IS FACILITATING AN ONGOING CRIMINAL ENTERPRISE BEING RUN FROM THE OFFICE OF THE PRESIDENT OF THE UNITED STATES OF AMERICA.

THEIR TEAM IS SPYING ON EVERY ASPECT OF OUR LIFE AND THEN OPERATING A REAL-TIME ACOUSTIC BOMBARDMENT CAMPAIGN TO DISRUPT OUR PROGRESS AND DESTROY THE DAILY PEACEFUL USE OF OUR PRIVATE PROPERTY!

YOU ARE THE ONLY LINE OF DEFENSE THAT WE, THE PEOPLE, HAVE FROM THE ONGOING ABUSE COMING FROM OUR OWN GOVERNMENT.

As I have already clearly indicated, I have no belief at all that you have the courage to do what is right to hold your party's leader accountable, but this is the farce of a political routine that I must engage in to continue to exert my own rights to live without agitation and disruption in my life.

Get fucked, losers. We hate you all. You have let us all down and have facilitated and raised a living, breathing, demon over our life and we are all suffering because of it.

Kindest regards,

Chris Noel Carlin

December 21, 2025: Letter to John Cornyn

Senator Cornyn,

I am an attorney in San Antonio, Texas that worked to request Freedom of Information Act requests around Texas after the 2020 election.

After working those lawsuits, I was elected as a 'Precinct Chair' for the Republican Party of Bexar County, Texas.

Since that time, I have been experiencing an ongoing effort by the Donald Trump team to invade my homelife using sophisticated spying technology and a team of low-life criminals that surround my house day and night.

Donald's team is using a series of acoustic bombardment agitations to 'prove' (constantly) that they are watching whatever I do on my computer and - honestly, everything else I do in my home as well.

Obviously, this is a criminal action from the current administration because they are using this technology (Star-shield)(by Star-Link) to stalk me around the city, state, and even world.

My wife and I moved all the way to Spain this year to remove ourselves from this criminal influence in our lives, and they immediately showed up at our front door in Spain doing the exact same things.

The people have identified themselves as being members of the Freemason (Secret) Society. Their symbolic 'all-seeing' eye appears to be a very over-extended illegal spying network that is attempting to engage our home as 'Big Brother' in the dystopian nightmare by George Orwell called 1984.

There is absolutely, without any doubt in my mind, a daily effort to cause disturbance and agitations inside of my home by an external spying force on behalf of Donald Trump and his team of spying criminals.

I have contacted the local police in Periana, Spain, San Antonio, Texas, the Texas Rangers, the FBI, and the Secret Service - NOBODY - NOT ONE AGENCY DID ANYTHING TO INVESTIGATE THIS MATTER.

I am very concerned that the United States military is using a dark criminal influence to overtake the will of law enforcement across the country and world.

Is this the type of problem that a United States Senator should be working to solve for his constituents?

Because if you can't help, and the police can't help, and if a convicted felon like Donald Trump is using federal law enforcement and national security spying technology to 'haunt' the lives of his targets, then WHAT EXACTLY ARE WE SUPPOSED TO DO?

MY best strategy at this point appears to be simply enduring the criminal spying of my own government as it attempts to ruin my life every day under the childish direction of Donald Trump's team of losers.

Any advice is appreciated.

Kindest regards,

Chris Carlin
